RE: White Mesa Mill Project, Eligibility, BLM Sites

Dear Ms. Day:

In response to your request for review and in accordance with your responsibility as outlined in 36 CFR 800.4, we are happy to consult with you concerning your project.

The staff of the Utah State Historical Society Preservation Officer has received a request for concurrence with the eligibility of archeological sites on BLM land located within the White Mesa project area, San Juan County.

Our office does concur with the BLM that these sites are potentially eligible as part of the White Mesa Archeological District.

If you have any questions or concerns, please contact James L. Dykman, Compliance Administrator, 533-6000, Utah State Historical Society, 307 West 200 South, Salt Lake City, Utah 84101.

Sincerely,

Melvin T. Smith  
Director and  
State Historic Preservation Officer
