In the Matter of Umetco Minerals Corporation
(Materials License No. SUA-1358)
Docket No. 40-8681-MLA
ASLBP No. 92-666-01-MLA

Dear Administrative Judges:

The attached letter, authorizing Umetco to proceed with processing the Teledyne Wah Chang material, was served to Judge Gleason and representatives of the other parties to the proceeding on September 17, 1992. However, to complete service to those required by 10 C.F.R. § 2.1231(a) to receive the hearing file, I am serving the letter to you and those listed below, as an addition to the hearing file.

Sincerely,

Colleen P. Woodhead
Counsel for NRC Staff
